Overall Project Cost

This number/amount is calculated.

What is the total budgeted cost (dollars) of your project?

Please outline your project budget in the income and expenditure tables below, including details of other funding that you have applied for, whether it has been confirmed or not.

The first line of income has been completed based on the amount you have requested for MCGP funding above. If you are requesting hall hire with this application please complete the second line in the income section and first line of the expenses section ensuring they match the estimate provided to you from Monash Halls.

Provide clear descriptions for each budget item in the 'Income' and 'Expenditure' columns.

Examples of income could include

- Organisational contribution
- Member contributions
- Any other grant you have/are applying for
- In-kind (non-cash) contribution made - this must be offset as an expense of the same value

Examples of expenses could include:

- Materials
- Equipment hire
- Contract facilitator
- Volunteer hours - this must be off-set by in-kind income of the same value

Please see [here](#) for an example of how the budget should look.

Use the 'Notes' column for any additional information you think we should be aware of, for example if you are paying for staff outline the hourly rate of pay and hours to be worked that you used to determine the amount (30 hours x \$30/ph).

Please ensure you have read the MCGP Guidelines to ensure you are aware of individual item caps and only assign items to the Monash grant that are eligible under the category you are applying in. If the application is successful items that are not eligible will be deducted and will see funding reduced. A list of program-wide ineligible items can be found in the [Guidelines](#) on page 9.

Your budget **MUST** balance (TOTAL INCOME AMOUNT = TOTAL EXPENDITURE AMOUNT).

Please **do not add commas** to figures – e.g. type '1000' not '1,000' – this will ensure your figures for each table total correctly.

Venue Hire

2023/24 - Quick Response Grants Application Form

Form Preview

* indicates a required field

The MCGP provides funding for venues in which community activities take place. There are 2 options:

- Monash Council-owned community halls
- Other venues that could be Council owned, such as Neighbourhood Houses or non-Council owned community facilities, such as a church hall (if there is not an appropriate Council venue available)

Please select from the following options which you would like to include in your application:

☐ Monash Community Halls

☐ Other Venue

MONASH COMMUNITY HALLS HIRE

To submit an application for Hall Hire as part of your grant you must contact **Monash Halls Management** on **9518 3684** to discuss your needs and submit a booking request.

Every effort will be made to meet your request, however Monash Halls are heavily utilised and Council will determine which groups can use which spaces and how often. If your preferred venue is not available every effort will be made to work with you to find another suitable space.

You will then receive a confirmation letter stating the hall, dates and quoted amount of the booking. This does not guarantee funding will be granted, it is to hold your group's place in the Monash booking system. If the grant is not approved you will still be able to use the hall and your group will be invoiced by Monash Halls Management for the whole amount of the booking.

In the event full funding is not granted your group will need to decide whether to reduce dates or pay the difference between the granted amount and the hall cost. This will be communicated to you in May when advice notifications are sent out.

Please see your Monash Halls Community Grant Program Quote/Estimate to provide the funding you are requesting to cover your hall hire.

If you require assistance to complete this, please contact a member of the Community Partnerships team on 9518 3568.
